Learning Objectives/Outcomes

At the end of this presentation, participants will be able to:

1. Define Social Determinants of Health.
2. Examine the intersection of the Social Determinants of Health and Historical Trauma in relation to the American Indian and Alaskan Native population.
3. Examine Cultural Determinants of Health to support Indigenous resilience in health care response.

Target Audience

Counselors, Social Workers, LADAC, LPC, LCPC, LPCC, LMHC, LPCMH, LCMHC, LPC-MH, LADAC, CADAC, Community Health Representatives/Workers, NM Certified Peer Support Workers/Specialist, Health and Human Services Workers, Tribal Providers

About the Presenter

Jennifer S. Nanez, MSW, LMSW, currently serves as a Training and Technical Assistance Coordinator with the SAMHSA Tribal Training and Technical Assistance Center under Tribal Tech LLC, and is an enrolled tribal member of the Pueblo of Acoma, New Mexico. Ms. Nanez has been in the social work and education fields for over 20 years with an emphasis in serving the American Indian population, and promoting effective community engagement and clinical work in the American Indian community. Ms. Nanez has worked in Urban Indian, Tribal, Federal, and University systems, and now provides support to Tribal communities nationally in her current role. Ms. Nanez's interests lie in suicide prevention and mental health treatment support working within a healing from Historical Trauma framework; and supporting community readiness, resilience, and capacity building in our Tribal communities.

Teresa Gomez is an enrolled member of the Pueblo of Isleta and a life-long resident of New Mexico. Teresa has dedicated her career to serving Tribes and advocating for issues affecting American Indians. In 2006, Teresa served as the Deputy Cabinet Secretary for the New Mexico Indian Affairs Department. Teresa also served as the Deputy CEO for the NM Behavioral Health Purchasing Collaborative. Teresa has worked extensively with Tribal governments and various governmental agencies at the federal, state, and local levels. She has been instrumental in building and strengthening Tribal-State relations and collaboration. Teresa is a faculty member of UNM's Division of Community Behavioral Health serving as a Lecturer II.
